Section 14-30. Inoculation against rabies required; registration and inoculation of dogs; fees; tags

(a) Every owner of a dog four months or more of age shall have each dog inoculated against rabies by a licensed veterinarian. Every dog shall have a second rabies vaccination within one year of the first. Terms of subsequent vaccine administration and duration of immunity must be in compliance with USDA licenses of vaccines used. Evidence of such rabies inoculation shall be entered on a certificate the form of which shall be approved by the Board and which shall be signed by the licensed veterinarian administering the vaccine. Veterinarians who inoculate a dog shall procure from the County Animal Control serially numbered tags, one to be issued with each inoculation certificate. Only one dog shall be included on each certificate. The veterinarian immunizing or microchipping an animal shall provide the Administrator with a certificate of immunization and microchip number. The County Board shall cause a rabies inoculation tag to be issued at a fee established by the County Board for each dog inoculated against rabies. Rabies vaccine for use on animals shall be sold or distributed only to licensed veterinarians. Such rabies vaccine shall be licensed by the United States Department of Agricultural.

(b) Within thirty (30) days from the date of inoculation for rabies, the owner shall register such dog by presenting to the administrator or his authorized agents, the certificate of inoculation, together with the appropriate registration fee. The registration fee for dogs spayed or neutered shall be \$20.00 for one year and \$60.00 for three years. The registration fee for dogs not spayed or neutered shall be \$50.00 for one year and \$150.00 for a three-year registration. The registration shall correspond to the duration of the rabies vaccination. The owner shall be supplied with a rabies inoculation tag for each dog registered, and such tag shall be worn by each dog that is required to be registered whenever said dog is off the property of its owners and not within a motor vehicle. The tag shall be in a form and color approved by the state department of agriculture. The method of distributing said tag and collecting registration fees shall be determined by the county board. Ten (\$10) dollars from the sale of all intact dog registration tags shall be place in the County Animal Population Control Fund. The money shall be used to (1) spay, neuter, or sterilize adopted dogs or cats or (ii) spay or neuter dogs or cats owned by low-income county residents who are eligible for the Food Stamp Program.

(c) Failure to register a dog within thirty (30) days of inoculation shall result in the registration fee being doubled.

(d) Any licensed veterinarian collecting the registration fee as described in this section may retain \$1.00 from each individual fee charged for costs incurred to charge and collect fees.

(Code 1981, Sec. 5-20; Ord. No 89-10, 4-12-89; Ord. No. 904, 2-16-1991; Ord. No. 11-12, 7-1-2000; Ird, Bi, 02-37, 9-11-2002;., Ord. No. 03-01-1-8-2003;., Ord. No. 07-35-8-8-2007, Ord. No. 07-40-10-10-07, Ord. No. 09-09 3-18-09)

Sec. 14-31. Penalties and court appearances.

(a) Unless otherwise provided herein, any person violating or aiding or abetting the violation of any provision of this article shall be fined not less than seventy-five dollars (\$75.00) nor more than five hundred dollars (\$500.00) for any one (1) offense.

(b) Each day a violation is committed, continued or permitted to occur shall constitute a separate offense. (c) As an alternative to any other manner of charging a violation of this article, the animal control department or any law enforcement officer may issue a citation in those instances where an owner violates this article by permitting his animal to run at large; by failing to have his animal inoculated against rabies, by failing to register his animal, or by

failing to have his animal wear evidence of current rabies inoculation. The citation would allow the owner to satisfy the violation without a court appearance by submitting in person to the Animal Control Office of Boone County the payment of the minimum fine of seventy-five dollars (\$75.00) in cash, verified by written receipt, for each separate violation if said fine is paid within fourteen (14) days of the issuance of said citation. If a person chooses to pay for each citation at the Animal Control Office after fourteen (14) days have elapsed, but before twenty-nine (29) days have elapsed since the issuance of the citation, the fine would be one hundred dollars (\$100.00) for each separate violation. Where the offense charged is for an animal not wearing evidence of current rabies inoculation, the owner of the animal must, in addition to payment of the fine, present evidence that the animal has been inoculated against rabies.

(Code 1981, Sec. 5-21; Ord. No 89-10, 4-12-89; Ord. No. 00-22, 11-8-2000)

Sec. 14-32. Additional Fees.

(a) Owners shall pay county room and board fees when retrieving their dog from the County Animal Services Facility. Such fee shall be \$40.00 for the first day and twenty dollars (\$20.00) for each day thereafter. Such fee shall be assessed at the beginning of each day (12.01 a.m.)

(b) Prior to the return to its owner of an impounded dog, the owner will have the option of having a microchip implanted in the dog. The fee for such service shall be \$15.00. Any pet owner may come into animal control and purchase a microchip for the same fee.

(c) If a dog receives a rabies vaccination from Boone County Animal Control, the owner of the dog shall pay a \$50.00 fee for this service. The Boone County Animal Control Veterinarian shall be paid \$35.00 and the remaining \$15.00 shall be deposited into the Animal Control Fund.

(d) Prior to the return to its owner of an impounded dog, the owners will pay a \$25 public safety fine to be deposited into the County Animal Population Control Fund. The fine shall be waived if it is the dog's first impoundment and the owner has the animal spayed or neutered within 14 days.

(e) If a dog is found to be a vicious dog, the owner shall pay a \$100 public safety fine to be deposited into the County Animal Population Control Fund. If a dog is found to be a dangerous dog, the owner shall pay a \$50 public safety fine to be deposited into the County Animal Population Control Fund.

(Ord. No. 08-23, 6-11-2008, Ord. No. 09-09 3-18-09)

Section 14-33. Jurisdiction

The provisions of this article shall apply within all areas of the county except in cities, villages, and incorporated towns that provide and enforce rules and regulations which are at least as stringent as this article.

Section 14-34. Report of bite by dog

(a) When the Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator, receives information that any person has been bitten by a dog or other animal, the Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator, or his or her authorized representative, shall have such dog or other animal confined under the observation of a licensed veterinarian for a period of 10 days. The Department may permit such confinement to be reduced to a period of less than 10 days. A veterinarian shall report the clinical condition of the animal immediately, with confirmation in writing to the Administrator within 24 hours after the animal is presented for examination, giving the owner's name, address, the date of confinement, the breed, description, age, and sex of the animal, and whether the animal has been spayed or neutered, on appropriate forms approved by the department. The Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator shall notify the attending physician or responsible health agency. At the end of the confinement period, the veterinarian shall submit a written report to the Administrator advising him or her on the final disposition of the animal on appropriate forms approved by the Department. When evidence is presented that the animal was inoculated against rabies within the time prescribed by law, it shall be confined in a house, or in a manner, which will prohibit it from biting any person for a period of 10 days, if a licensed veterinarian adjudges such confinement satisfactory. The Department may permit such confinement to be reduced to a period of less than 10 days. At the end of the confinement period, the animal shall be examined by a licensed veterinarian.

(b) Any person having knowledge that any person has been bitten by an animal shall notify the Administrator, or if the Administrator is not a veterinarian, the Deputy Administrator promptly. It is unlawful for the owner of the animal to euthanize, sell, give away, or otherwise dispose of any animal known to have bitten a person, until it is released by the Administrator or, if the Administrator is not a veterinarian, the Deputy Administrator or his or her authorized representative. It is unlawful for the owner of the animal to refuse or fail to comply with the reasonable written or printed instructions made by the administrator, or if the Administrator is not a veterinarian, the Deputy Administrator or his authorized representative. If such instructions cannot be delivered to the person, they shall be mailed to the owner of the animal by regular mail. Any expense incurred in the handling of an animal under this section shall be born by the owner. The owner of a biting animal must also remit to Animal Control, for deposit into the Pet Population Control Fund, a \$25 public safety fine within 30 days after notice.

(c) Any owner whose dog has bitten someone will receive a minimum \$75.00 citation if the dog was running at large when the incident occurred, or if the dog has not been immunized and/or registered as required by County Ordinance.

(d) When a person has been bitten by a police dog, the police dog may continue to perform its duties for the peace officer or law enforcement agency and any period of observation of the police dog may be under the supervision of a peace officer. The supervision shall consist of the dog being locked in a kennel, performing its official duties in a police vehicle, or remaining under the constant supervision of its police handler.
(Ord. No. 09-09 3-18-09)

Sec. 14-35. Number of dogs restricted.

(b) Grandfather Clause: Dogs owned or harbored and exceeding the ownership limits of this section at the time of passage of this law must be registered with Boone County Animal Control within 60 days of passage to be exempted from ownership limits. This exemption expires once the existing dog(s) parishes or has been relinquished to a new owner.
