

## **PROPERTY TAX CLINICS**

The Boone County Treasurer, Curt Newport and the Boone County Board of Review will offer two Property Tax Clinics for Boone County taxpayers in 2009. The clinics will be held on **November 19 and December 1, 2009 at 6:30 P.M. at the Belvidere Township Building at 8200 Fairgrounds Road, Belvidere, IL 61008.** The clinics will:

- Help property owners understand how property taxes work.
- Dispel myths about taxes and assessments.
- Explain the appeal process, and provide necessary forms and rules for filing appeals.
- Provide information on all homestead exemptions.

The clinic is not a forum to discuss any specific individual assessment; these questions are best directed to the various Township Assessors in which the property is located.
