PERMIT FOR OVERSIZE AND OVERWEIGHT VEHICLES

The holder of this permit is hereby granted permission to move the following load on the below designated Boone County highways.

This permit is granted only with the understanding that the vehicle is properly licensed and insured, for moves in daylight hours only, that all safety measures will be provided and that the grantee shall assume all responsibility for accidents or damages that may occur to persons or property either public or private, caused directly or indirectly by reason of the transportation of vehicles or load under this permit.

This permit is granted only with the understanding that the vehicle is properly censed and insured and is effective only insofar as the County has jurisdiction and does not release the grantee from fulfilling the posted County "Spring" weight limits and posted bridge limits and any other existing laws relating to this movement.
