RURAL ACCESS PERMIT

Pursuant to 605 ILCS 5/9-105 of the Road, Bridge and Other Related Laws of Illinois this agreement allows the property owner to construct an entrance to the following property from a Boone County highway. Please complete, sign and return the permit to the highway department.

Name of Property Owner: _____

Location and description of Proposed Access: _____

The undersigned applicant (s) represents that he or she (they) is (are) the sole and only owner (s) of the above described land for the proposed access. Applicants further agree to the following conditions.

1. The Department shall approve the location and geometrics of the entrance and the type and size of pipe used, if applicable.
2. The property owner shall pay all costs to construct the entrance.
3. The property owner shall construct and maintain the entrance between the edge of pavement and the property line.
4. The pipe once properly installed shall become the property of the Department.
5. The property owner shall construct a mailbox turnout. Yes () No () The entrance shall not be constructed higher than the edge of pavement between the edge of pavement and the shoulder line.
6. The property owner shall not construct any type of structure on the ends of the culvert pipe or fill in any portion of the ditch without written permission from the Department.
7. Pavement surface between the edge of pavement and right-of-way line shall be only gravel or bituminous. Any other surface must obtain Department approval.

This agreement is hereby accepted and agreed to on this ____ day of _____, 20__

Signed (applicant) _____
