Chairman Walberg asked Ken Terrinoni, County Administrator, to explain the process of the Truth in Taxation Hearing. He said the county publishes information on the proposed tax levy. This is required if the levy is 5% more than last year. Boone County's increase will be approximately 2.6% but we still publish for reasons of transparency and informing the public. Chairman Walberg opened the floor to the public and asked if anyone would like to speak.

Chairman Walberg called for public comment a second and third time.

No one chose to speak.

Chairman Walberg closed the Public Hearing.
