RE: November 16, 2010 Meeting

Case 18-2010; Steven Pierce, Junk Yard Special Use will be postponed until December 21, 2010 as the legal description published did not describe the parcels for the special use. The item will be republished for the December meeting with the correct legal description.

The only other item on the agenda is the review of the Comprehensive Plan Open House.

The November meeting will be cancelled; staff will be present after the Boone County Planning Commission Meeting to let any members of the public know that the case will be continued in December.

Please let me know if you have any questions.
